

intimus AutoShred 140 CP4

FULLY AUTOMATIC DOCUMENT SHREDDER

START. LOAD. AND LEAVE. DONE!

Say goodbye to hours spent manually feeding sheets into a shredder; our fully automatic document shredder intimus AutoShred 140 CP4 ensures a seamless and secure shredding experience - designed to handle up to 140 sheets in autofeed mode.

With 54 dB(A) it is remarkably quiet in operation - experience the power of advanced shredding technology without the unnecessary noise.

The integrated overheating protection ensures a prolonged operating time of up to 60 minutes without interruption. After completing the shredding task, the shredder automatically switches off after just 5 minutes.

Perfect for reliable shredding of:

- **Paper**
including staples and paper clips
- **Credit cards**
with magnetic strip or electronic chip

Design

USPs

- At 54 dB(A), the intimus AutoShred 140 CP4 is particularly quiet in operation and ensures a convenient working environment.
- 140 sheets of 80 g/m² paper with paper clips and staples can be fed via the automatic feed.
- Credit cards and up to 10 sheets of 80 g/m² paper can be shredded via the manual feed.
- The easily removeable pull-out 20-litre waste bin can hold up to 380 sheets of paper.
- The 4 x 12 mm particles comply with security level P-4 according to DIN 66399 (ISO/IEC 21964).
- Operating time of 60 minutes without interruption is guaranteed.
- Even when you have already finished work, the AutoShred 140 CP4 continues to work reliably for you - designed to make your work life easier.
- Once the work is done, it switches off automatically after 5 minutes and conserves energy.
- Its practical castors allow you to move it easily to the place you need.

Pull-out 20-litre collection bin.

Also shreds documents with paper clips and staples.
