

**intimus F-300**  
A3 folding machine for office use

Compact folding machine with four different folding types for professionally folded business mail, mailings, invoices etc.

Push-down feed unit with capacity for up to 450 sheets and stream delivery paper ejection system conveyed by belts and four manually selectable ejection roller positions.

**Precise**

Easy fold plate adjustment thanks to the settings overview with symbols and colour codes on the machine.

**Control panel**

Four push buttons and the digital display with addition/subtraction batch counter guarantee an easy, uncomplicated operation. Display indicates paper errors.

**Durable**

Robust metal construction with 4 paper feed rollers for short and repetitive runs as well as peaks.

**Easy storage**

Feeding and exit tray can be fold away for easy transportation and storage of the machine.
